### Education

1999                      Ph.D. in Banking, Marmara University, Institute for Banking and Insurance, İstanbul, Turkey.

Ph.D. Thesis: *The Analysis of Regulatory and Supervisory Banking System in TRNC in The Light of Developed Countries and Developing a Supervisory Model for TRNC.*

The research analyzed the banking system in North Cyprus from both regulatory and supervisory perspective and the central bank effectiveness in supervising banks. A supervisory tool and a bankruptcy prediction model was tested to show how effective is the central bank in monitoring banks and ensuring bank soundness.

1994                      M.B.A. in Business Administration, Faculty of Business and Economics, Department of Business Administration, EMU, Cyprus.

1992                      B.A. in Business Administration, Faculty of Business and Economics, Department of Business Administration, EMU, Cyprus.
